

Refrigerated Fleet — Lease Term Sheet

Atlas Trade Provisions LLC · lease path inputs for the lease-vs-buy analysis

Item	Box truck (x2)	Van (x2)	Notes
Monthly lease (each)	\$2,650	\$1,520	Operating lease, full-service
Term	60 months	60 months	
Maintenance	Included	Included	Lessor-provided
End of term	Return	Return	No purchase obligation

Analysis horizon 7 years; discount rate 6.8% per annum (fleet incremental borrowing rate per the discount-rate memorandum). Lower present value of total cost governs, weighed against qualitative factors (fleet flexibility, residual-value risk, maintenance burden, balance-sheet effect). Thresholds, not labels, govern the conclusion.
