

Supplier Agreements — Rebate & Allowance Terms

Atlas Trade Provisions LLC · vendor rebate programs (recognized in FC at the transaction-date rate)

Supplier	Program	Frequency	Basis	Recognition
Maison Lacroix SARL	Volume tier rebate	Quarterly	EUR purchases over tier	Reduce inventory if goods on hand; COGS if sold
Guangzhou Tea & Spice Co	Annual growth rebate	Annual	CNY YoY growth target	Reduce inventory / COGS by mix on hand
Productos del Valle SA	Promotional / co-op support	Quarterly	MXN promotional spend	Offset related inventory or COGS
Olivetti Foods SpA	New-product placement	One-time (Dec)	EUR — new SKU placement	Earned December; related goods on hand → reduce inventory

Rebates are recognized when earned under the program terms. A rebate reduces the carrying cost of the related inventory to the extent those goods remain on hand at period end, and reduces cost of goods sold to the extent the related goods have been sold. Foreign-currency rebates are measured at the transaction-date rate on the date earned.
